The Winter Practice Session has two goals:

- 1.) Introduce the sport of water polo to new athletes.
- 2.) Build upon skills previously learned for more experienced athletes.
- 3.) Build a "tournament team" for athletes who wish to dedicate more time and commitment and begin traveling to more competitions during the winter, spring and summer sessions. We would like to have tournament teams for 14U, 12U, & 10U. Tournament ages are based on a athletes' age on August 1st, 2023.
