

Puget Sound Polo

Splashball – Fall 2024

This fall Puget Sound Polo is offering Splash Ball for athletes 10 and Under @ Curtis High School

Splashball

This year Puget Sound Polo will be incorporating the USA Water Polo Splash Ball Curriculum as we work with our youngest polo players. Splashball is designed to bridge the gap between learning to-swim and the sport of water polo. The intent is to provide basic skills and understanding of the sport in a recreational format. Although water polo is known for its toughness and endurance, Splashball harnesses all of the fun, dynamic aspects of the game in a safe, easy to learn aquatic experience that will motivate kids to swim, stay fit, and learn how to be safe in the water.

The recommended age for PSP Splashball athletes is ages 8-10. However, younger athletes who are comfortable in the water and strong swimmers are encouraged to sign up.

The majority of Splashball practices take place in the shallow end of the pool (depth of 3 ½ feet). With proper supervision and safety equipment (including lifejackets, noodles, etc.) students who are comfortable will have opportunities in deep water to continue their skills.

PSP also offers 12U and 14U practices and training sessions. As Splashball participants improve and develop, there will be opportunities for advancement and join the higher end youth polo groups.

We do have a limited number of space for this program. Register and sign up quickly to reserve a spot.

Practice Fee: \$95.00 dollars for the 10-practice session. We also allow a drop-in price of \$15.00 dollars a practice.

Submit payment online: <https://www.pugetsoundpolo.com/make-a-payment>

Registration forms are online: Visit: <https://www.pugetsoundpolo.com/join-now>

Note: Registration should be completed prior to the athlete's first practice. Payment is due before or on September 8th. New registration with Puget Sound Polo is required every September.

All athletes must be current USA Water Polo Members to participate in any Puget Sound Polo high school program. Athletes can sign up for USA Water Polo at www.usawaterpolo.org. We are club 64, Puget Sound Polo. Athletes need to be signed up for at least Bronze Membership. Polo registration expires every 365 days. All first time USA Water Polo Members can sign up for the Splashball Pass Holder (\$15.00 dollars). If you have signed up for USA Water Polo previously, Bronze Membership is required.
